Creative English teaching with ICT

mgr Marta Lipska **lipska@womczest.edu.pl**

Educational policy of the country in the school year 2016/2017

- Popularisation of reading, developing reading skills among children and young people.

- Developing children's and young people's digital competences in schools.

Which sentenses are false?

Write in the chat box

1. These days, using ICT really motivates students.
2. Technology adds value if it's integrated into the classroom
3. Using ICT enables English teachers to adapt learning to dominant youth culture.
4. All students have the same opportunity to access technology in their homes.
5. There is equal access to ICT within public and private schools.

and Easter SMS messages.

Introduction given ☞ make a gap-fill.

Easter is a time of thanksgiving and ___. It is a time to remind us of the many ___ that we have: our families, our friends and our lives. We should all remember the true meaning of Easter and the ___ that has been made out of love. It is a time of great ___ as we expectantly wait for the ___of our Savior.

anticipation *blessings* *sarifice* *Resurrection* *rejoicing*

Introduction-feedback

- Easter is a time of thanksgiving and rejoicing. It is a time to remind us of the many blessings that we have: our families, our friends and our lives. We should all remember the true meaning of Easter and the sacrifice that has been made out of love. It is a time of great anticipation as we expectantly wait for the Resurrection of our Savior.
